### UTC RETAIL Named One of the Best Places to Work

UTC RETAIL selected as one of the 50 best companies to work for in New York State

**Rochester, NY, February 7, 2013:** UTC RETAIL, a full-service provider of in-store solutions to the retail marketplace, including software, hardware and professional services, was recently selected by The New York State Society for Human Resource Management (NYS-SHRM) as one of the 2013 Best Companies to Work for in New York. The list is published annually and is comprised of 50 companies with operations in the state of New York.

"We are humbled and honored to be recognized as one of the Best Companies to Work for in New York," said Sam Villanti, President and CEO of UTC RETAIL. "We work hard every day to create a stimulating work environment that places a premium on our associates' contributions and development. I am very appreciative of all our hardworking, focused and dedicated associates who consistently go above and beyond to live our core values of helping customers achieve their goals, acting with integrity, working efficiently through communication and team work, and efficiently managing our company resources. This recognition is only possible because of the combined contributions of our entire organization."

Created in 2007, the Best Companies to Work for in New York is a distinctive program that evaluates and ranks the best places of employment based on employee satisfaction and engagement, as well as workplace practices and policies. The program is a partnership of NYS-SHRM, Best Companies Group, Journal Multimedia Corporation and The Business Council of New York. This year's awards are sponsored by Capital District Physicians' Health Plan and Jackson Lewis, LLP.

All 50 winning organizations will be honored at a public awards dinner to be held at the Albany Marriott on Tuesday, April 30, 2013. During the event, the honorees will also learn their rank among the other companies on this year's list. In addition to recognition at the awards event, a special publication highlighting each company and its unique employment perks will be made available at the event, distributed to higher education institutions and thousands of human resource professionals across New York State, and also published online at [www.BestCompaniesNY.com](http://www.BestCompaniesNY.com).
